

# 1996 – 2005 G, F, C, S, and I Fund Annual Returns\*

\* The returns shown reflect the actual performance of the S and I Funds for May 2001 and subsequent months. For the first four months of 2001 and for prior years, the returns shown for the S and I Fund reflect the performance of the Wilshire 4500 and EAFE indexes (without deduction of any administrative expenses, trading costs, or investment management fees), respectively.
